

Little Lights – 28 March 2020

Our 'Little lights' and 'The Ark' were following how Jesus could perform miracles 'just by speaking'. The link below has a cartoon for little ones about the miracles of Jesus.

Please see this week's 'Little lights' and 'Ark story' on the you tube channel 'Little lights' Let me know what you think as at the moment I am still practising

The craft to go with the story is to use masking tape to create a simple shape. Then the children can paint or draw around and on the masking tape and then when you peel the masking tape off – you have a clean focal point as in this picture below but of course you can make any pattern.

Please be assured of our prayers for you.
Saying bedtime prayers every night can help a child develop a habit to self-reflect on his/her thoughts, behaviour, and actions of the day. Teaching bedtime prayers to your child can be extremely beneficial.

*Hello God, it's me, just come to pray
and to thank you for a fun-filled day!
You've been with me, so I will pray,
to thank you for the exciting things I've done today.
But also when I'm sad or cross
I know you love me, no matter what!
So help me rest and go to sleep
And feel the peace of your love for me and my family."*
