

## Little Lights/The Ark 30 August 2020

Hello Parents, grandparents and friends,

How has your summer been?

I am so sorry but we will not be able to meet this term due to government / Baptist Union advice. I would jump through hoops if it would work but I'm afraid we need to be patient a little longer

It seems over the last week that Autumn has turned up although it is only the end of August so I am starting our term early however I hope we may be surprised with some good weather yet.

I hope you will allow me to indulge you with the news that I have become a grandmother again to a little girl, born a week ago to my daughter Rebecca, a sister for Jacob called Aria. All is well and of course she is beautiful.

I have done a video for this week on you tube based on social distancing which I hope the little ones might understand or as well as can be expected.

Please click on <https://youtu.be/tE7-Rzeonpc> to take a look

The story is based around Albert the mouse. He loves to tell his grandchildren, great nieces and nephews, stories from the bible, but due to social distance is unable to do so. How can he show them that he cares?

**Craft**

To make the mask  
2 paper plates, glue  
pink card, black card and brown paint or pens

Please let me know any news good or bad and know that you are in our thoughts and prayers.  
with love  
Catherine and Ark and little lights team
