

Little lights 4th December 2020

Dear Parents,

Our story today is about the Angel Gabriel and his visit to Mary. Jasper has been chosen to play Angel Gabriel but he is feeling disappointed. Listen to the song at the end of the story.

Here are two small talks in case you know anyone preparing for parenthood that would benefit from a bit of down to earth wisdom – [Finding joy in the journey of motherhood](#) and [Preparing as a couple for your first child](#).

Both about journeys although thank goodness I don't expect anyone had to ride on a donkey or other beast to get to pay in their taxes as Mary did to Bethlehem.

Angel Craft

Here we are with our paper plates again!

Put in a hole at the top of the angel with some cotton thread and it can be your Christmas tree Angel.

Glitter is also great but messy and not environmentally friendly so better to use stickers of shiny paper.

I hope Christmas is not too disappointing for you, the main priority is for you and yours to stay well during the festive season.

with love
